In terms of section 39(7) of the South African Schools Act, I hereby determine all learners in quintiles 1 to 3 (60% of the public school learners nationally) to be in no fee schools for 2023.

If funds are available, and after taking into consideration the possible funding implications this may have on other poverty related programmes involving no fee schools, the Provincial Education Department (PED) may offer Q4 and Q5 schools no fee status at least at the threshold level of R 1,602 voluntarily. In declaring these fee charging schools as no fee schools, the PEDs need to ensure all these schools are informed that they will be declared no fee schools from 1 January 2023. PEDs also need to ensure that these schools have informed parents of the change.
